Joseph Csoti

SKILLS

Java • C • Android Studio • JS/NodeJS • Illustrator • Git/CI

EDUCATION

Computer Science B.S. | *University of California - Santa Cruz*

SEPT. 2017 - PRESENT (JUNE 2020)

Colleges Against Cancer, Society of Asian Scientists And Engineers, Multicultural Engineer Program

EXPERIENCE

Cofounder & Developer | *Trace Studios | Los Angeles, CA*

JUNE 2016 - PRESENT

- Cofounded mobile app development studio
- Collaborated to create 6 apps in various categories, published 3
- Well-versed in both frontend and backend solutions
- Designed app graphics, store features & listings, etc.

PROJECTS

Insider | *Android Game App*

A mobile version of the popular party game known as "Mafia/Werewolf" where the phone becomes the moderator

- Achieved ~5,000 installs in the Play Store
- Programmed CPU algorithm using weighted probabilities based on input from human players
- Closely integrated in-app-purchases with Google's billing library
- Currently developing online features using Firebase functions/realtime DB

Mindless | *Android News App*

Gives users a daily feed of "offbeat/wacky/stupid" news

- Programmed custom JSON parser that pulls from Reddit's API
- Integrated a simple cache system to reduce network calls
- Implemented material design standards

Lockup Lookup | *Android App + Arduino*

Lockup your bike at a bike rack, then Lookup with our app to check if your bike is still there or not

- From idea to product to pitch in ~36 hours @ Cruzhacks 2018
- Worked with a team of 5 on both hardware and software

COURSES

Intro to Java Programming, Intro to C, Intro to Data Structures, Intro to Networking and Internet

AWARDS

FBLA Mobile App Dev (7th 2017), FBLA Cyber Security (5th 2016), FBLA Computer Problem Solving (2nd 2016), FBLA Agribusiness (3rd 2017)
